

HAUNTPAY

MADE FOR HAUNTS

Let's face it: haunted attractions are a bit different than anything else out there. Haunters have a specific set of needs compared to other events.

Between our decades of experience in haunted attractions and speaking with hundreds of haunt owners, we know those needs and pain points. Because of that, we've created HauntPay specifically for you - the professional haunter!

ONE UNIFIED SYSTEM FOR ONLINE AND IN-PERSON PAYMENTS

Tired of having a separate system for online tickets, and another for in-person tickets, and another for merchandise, etc? HauntPay fixes all of that, letting you manage sales of tickets, merchandise, concessions, and whatever else you can imagine - both online and at-the-door - through one simple system.

NEW LOWER PRICING

At HauntPay, we only make money if you make money. For online sales our service fee is 2.5% & \$0.50 per transaction (NOT per ticket), and for in-person sales it's ZERO (just credit & debit processing costs). We NEVER charge for cash transactions, comp tickets, or free events. All funds are direct deposited to your bank account within 48 hours of each sale.

ZERO COST TO YOUR HAUNT. EVER.

With HauntPay, ALL of your fees can ALWAYS be passed on to the customer, with no exceptions. Remember those \$1,000's of dollars in service & processing fees you paid last year? This year that number is ZERO.
